Driving directions

From the A69, take the main exit off the roundabout into Hexham. Go straight ahead over the river and 3 small roundabouts - the last roundabout passes Tesco's. After about 400m, turn left into Gilesgate. We are about 100m on the right, under Core Music. You can park in the Gilesgate car park, opposite our building.

Parking

There are some car parking spaces in the car park immediately over the road from our office: and along Gilesgate.
