

Happy Birthday, Hextol!

In this Hextol Happenings we are celebrating Hextol's 13th birthday. As I'm sure many of you have found, this is an odd time to have a birthday!

We are remembering how Hextol got to where it is today, but also planning enthusiastically for the future. As the lockdown eases we are putting in place plans to get people back to work as soon as it is safe to do so. We'll be in touch as soon as we can to give you more details.

So look forward to lots of Hextol fun in the future. Make a fun jar and fill it with all the great things you'll be doing – here at Hextol and elsewhere.

Enjoy the sunshine and if you are out and about - stay safe.

Bruce

Why not start a Fun Jar?

- ◆ Think of something each day that you are missing during lockdown. It might be a person, the seaside, or a shopping trip...
- ◆ Write it down or draw a picture of it and put it in an empty jam jar. This will help you think about all the fun things we can look forward to in the future.
- ◆ We have started a Hextol Fun Jar - let us know if you would like to add something to it.
