

Hi #teamhextol

How are you all doing this week? There is a definite buzz around the town as people enjoy a little more freedom now that lockdown has eased slightly. The car park opposite the office on Gilesgate has been full all week— a sure sign that people are getting out and about again.

The weather's helping as well!

We are on the look out for good people to join us. First there is a vacancy at the Tans for a supervisor to work in the kitchen and front of house.

In addition we are looking for volunteer supervisors to supplement the existing teams in all our services and to help support our volunteers.

Please get in touch with the office if you are interested—or know anyone who might be.

Thanks folks—stay safe and see you soon

Bruce
